PER CURIAM:

Zacarias Moussaoui appeals the district court's order denying his motions to modify the Special Administrative Measures (SAM), *see* 28 C.F.R. § 501.2(a) (2020), and to terminate those measures. We have reviewed the record and find no reversible error. Accordingly, we affirm for the reasons stated by the district court. *United States v. Moussaoui*, No. 1:01-cr-00455-LMB-1 (E.D. Va. Apr. 23, 2020). We also deny Moussaoui's motions to vacate the SAM, to stay the appeal pending Moussaoui being given the opportunity to testify before the "9/11 Constituent Representative of the US Congress," to allow for ex parte communication with this Court, and for appointment of a paralegal to assist in his fight for justice for the "9/11 Victim Family." We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
